**Activity Book**

**Order additional Garden Activity Books at www.AeroGardenKids.com**

**TIPS**

**Light Schedule**
- Turn lights on when you get up in the morning.
- Turn lights off when you go to sleep at night.
- Plants grow best with about 16 hours of light.

**Plant Food Schedule**
- Feed your Herbie 2mL (1/2 dropper) once per week.
  - If you miss one feeding, just wait until the next week.
  - Do not overfeed.

**Oxygen**
- Your plants need oxygen to live. Herbie provides oxygen through the bubbles in the water bowl. Bubbles will turn on and off with the lights.

**Congratulations! Your Herbie is Ready to Grow!**
- Keep Herbie plugged in. You can control the lights and bubbler with the on/off button.

**CAUTION - ELECTRIC TOY: Not recommended for children under 6 years of age. As with all electrical products, precautions should be observed during handling and use to prevent electric shock.**

**CAUTION - SUPERVISION REQUIRED - ELECTRIC TOY - UNPLUG WHEN NOT GROWING A GARDEN.**

**Included in the Box**
- 2 Plastic Grow Domes
- 4 Grow Sponges
- Power Cord
- Measuring Cup
- Dropper
- Seeds
- Basil & Oregano Seed Packs
- Activity Book

**Planting in 6 Easy Steps**

1. Take 6-8 seeds and plant in Grow Sponge.
2. Place Grow Sponge into Herbie. Write seed name on garden with Marker.
3. Cover with Grow Dome.
4. Add water to Herbie to the ‘Fill to Here’ line.
5. Add food with Dropper to Herbie. Add 4ml week 1. Add 2ml each week thereafter.
6. Plug in Herbie and push the on/off button.

**Read all instructions before using this AeroGarden furniture.**

1. To reduce the risk of electric shock, the AeroGarden has a specific plug. Do not change the plug in any way.

**WARNING:**
- Do not place an AeroGarden on an electrical outlet before dousing or changing Grow Lights. **WARNING:** to reduce risk of burns, fire, electric shock, or injury to persons.
- Do not use the AeroGarden with a damaged cord or plug, or if it has been dropped or damaged, or if it has been dropped into water. If any of these conditions exist, contact www.AeroGarden.com or your retailer, not the distributor for instructions.
- Keep cord away from heated surfaces.
- Never use a damaged or x-rayed plug, or if it is not working properly. If it has been damaged, or if it has been dropped in water, if any of these conditions exist, contact www.AeroGarden.com or your retailer, not the distributor for instructions.
- Never drop Herb into any electrical openings. 10. Do not use outdoors.
- Do not operate where severe (i.e., hot) products are being used or where oxygen is being administered.
- Do not mix household products or hot products such as lamps, lights, reflective surfaces, and the like.
- Do not mix household products or hot products such as lamps, lights, reflective surfaces, and the like.
- Do not allow water to contact hot Grow Lights.
- Do not use Grow Lights with this AeroGarden Model. Use any other kind of accessory is not recommended. Replacement parts can be ordered from www.AeroGarden.com.
- This product is intended for household and residential use only. This product is not approved for commercial applications.
- If plugged in, it may be replaced by manufacturer, its service agent, or an qualified technician in order to avoid shock.
- Electrical wiring must be in accordance with local regulations.
- Children should be supervised while using the appliance. When using this toy, the product is intended to be looked at most of the time and only handled during planting and harvesting and filling activities as noted in the instructions.

**LIMITED WARRANTY**
- WHAT IS COVERED: This warranty covers any defects in materials or workmanship, with the exceptions stated below.
- HOW LONG COVERAGE LASTS: This warranty covers for 10 years on the AeroGarden LED Grow Lights, from the date of original purchase, for household use. What is not covered: The warranty will not apply to problems arising from normal wear and tear; failure to adhere to operating instructions; use of unauthorized products (including bulbs, lights, reflective surfaces, and the like) or modifications of the use of unauthorized parts or attachments; or repairs by anyone other than AeroGarden, Inc. or our designee. This warranty excludes all incidental or consequential damages.
- WHAT AEROGARDEN WILL DO: AeroGarden, Inc., at its option, will repair or replace any defective parts or materials or will provide replacement parts to the consumer at its own expense.

**CLEANING INSTRUCTIONS**
- With the Herbie unplugged, remove water bowl and grow deck. There can be a small amount of water in the grow deck. Use a damp cloth to wipe Herbie’s bowl and base.

**NOTE:**
- This equipment has been tested and found to comply with the limits of a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures.

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**ENVIRONMENT FRIENDLY DISPOSAL)**
- You can help protect the environment. Please remember to respect the local regulations and the environment when disposing of the equipment. The packaging material is recyclable. The purpose of the packaging is environmentally friendly and is made available for the recyclable material collection services.
